Germany – Contributing to a Sustainable Urban Future 德国 — 对可持续发展的城市未来作出贡献

The **German Federal Ministry for Economic Cooperation and Development (BMZ)** together with their implementing organisations *Deutsche Gesellschaft fuer Technische Zusammenarbeit (GTZ)*, *Kreditanstalt fuer Wiederaufbau (KfW)*, *InWent Capacity Building International Germany* and *German Development Service (DED)*, and the **German Federal Ministry of Education and Research (BMBF)** with their associated partners *Helmholtz Association of German Research Centres* and *German Research Society (DFG)* are organising a joint stand at this year's World Urban Forum in Nanjing, China.

The stand will showcase German research and development cooperation strategies and best practices for a sustainable urban future. The exhibition will address visitors of the forum and aims to spark their interest in the work of BMZ and BMBF. The stand will also serve as a platform for information and communication. The presentation in Nanjing and the related website have been designed jointly by both ministries.
